Please complete the Help Hungry Kids Tabulation Sheet and send it in by **April 1st 2012 - This deadline is extremely important, as the sheets will not be counted if they are not in by April 1st!** Using your information on these sheets we will calculate the results of each individual school by dividing the total number of cans and money by the total number of students in your school. Remember big schools do not have an advantage. The winning school will be announced at the NHASC Spring Convention on May 25th, 2012. Thank you for participating in the Help Hungry Kids Service Project.

Your work is truly appreciated!
